I am writing to express my interest in the Hairstylist Apprentice position at **[Salon Name]**. With a strong passion for hair, a commitment to client care, and eight years of professional customer service experience, I am excited for the opportunity to bring my skills, creativity, and dedication to your team. I am currently completing my **Hairstyling Diploma at MC College**, where I am building a strong foundation in colouring, cutting, styling, chemical services, and salon operations.

Throughout my training, I have gained hands-on experience performing blowouts, curling, toning, root retouches, and basic colour applications, while developing confidence with foiling and sectioning techniques. I take pride in creating a comfortable, positive environment for every client and truly enjoy helping clients feel confident and cared for. My customer service background has taught me how to communicate clearly, handle busy environments, and deliver exceptional experiences—qualities I bring into the salon each day.

I am especially drawn to **[Salon Name]** because of your reputation for quality service, strong team culture, and dedication to ongoing education. I am eager to learn from experienced professionals, grow my technical skills, and contribute to a salon team where creativity and client connection are valued.

Thank you for considering my application. I would love the opportunity to discuss how I can contribute to your salon's success. I look forward to meeting you and would be happy to provide any additional information needed.

Warm regards,

**Ranveer Kaur**
